

# MAKE CHRISTMAS REAL

---

for families in crisis and  
children in foster care.

"Protecting Children, Strengthening Families and Changing Lives," is the core of our mission at Brevard Family Partnership.

We achieve these goals through the prevention of child abuse and the management of a community-based system of care for Brevard's abused, abandoned and neglected children and their families.

Every year, Brevard Family Partnership, Brevard C.A.R.E.S. and Family Allies joins forces with local partners to ensure every child in our care has a gift to open on Christmas Day.

Holiday gifts for these children can only be provided through the community's support.

Please help make their holiday merry & bright!

## HELP US BRING THE MAGIC OF CHRISTMAS TO CHILDREN IN CRISIS

When a community comes together to make a difference, *magic happens.*

Year after year, countless members of Local 2061 have rallied together to bring Christmas gifts to those children who may normally not experience Christmas.

We express our sincerest gratitude to Local 2061 for its history in supporting the children of Brevard.
